That subsection provides that a power to make a legislative instrument includes a power to amend or repeal that instrument in the same manner, and subject to the same conditions, as the power to make the instrument.

Purpose

- 4 Subregulation 2.07(5) of the Migration Regulations provides that if an item of Schedule 1 prescribes criteria or requirements by reference to a legislative instrument made under subregulation 2.07(5), the Minister may, by legislative instrument, specify an approved form for making an application for a visa of a specified class; the way in which an application must be made; the place at which it must be made; and any other matter.
- 5 Paragraph 1127AA(3)(a) of Schedule 1 to the Regulations provides that an application for a Resolution of Status (Class CD) visa (**RoS visa**) must be made at the place and in the manner specified by the Minister in a legislative instrument made for that item under subregulation 2.07(5) of the Migration Regulations.
- 6 The instrument amends IMMI 18/089 to provide that an application for a RoS visa must be made by completing the relevant internet form or, upon written authorisation by an officer of the Department of Home Affairs, by posting the application to a specified address of the Department.
- 7 The instrument is intended to support the Government's policy of transitioning certain persons who hold or have held a Subclass 785 (Temporary Protection) visa or a Subclass 790 (Safe Haven Enterprise) visa to a RoS visa. The instrument will enable those persons to apply for a RoS visa by directing their applications to a specified address of the Department of Home Affairs.
