

New visa application charges

from 1 July 2023

From 1 July 2023, new visa application charges will apply.

The new charges apply to all visa applications received by the Department on or after 1 July 2023.

The website will be updated to reflect these changes for each individual visa type. In the meantime, you can determine the new visa application charge (VAC) by using the [Visa Pricing Estimator](#).

Online applications

If you apply online on or after 12:00 am (AEST) 1 July 2023, you will pay the new VAC. This is regardless of when you started the application. Your application is considered submitted when we receive it, along with the VAC.

If you apply online and pay by credit or debit card, PayPal, or UnionPay, your application and visa application charge is generally received on the same day.

Before submitting your application, make sure it includes all the required documents. If you submit an incomplete application, you may need to submit a new application and pay the relevant VAC.

ImmiAccount systems maintenance

Online services, including ImmAccount, may not be available if you are applying online between 8:30pm (AEST) 30 June 2023 and 12:30pm (AEST) 1 July 2023 due to systems maintenance.

You will need to consider this systems maintenance if you are applying online. If we receive your application on or after 12.00am (AEST) 1 July 2023, the new application charge will apply. There is no discretion for us to alter or waive charges in this situation.
